

### HISTORIC DANDRIDGE STREETScape, JEFFERSON COUNTY - TN

Dandridge Community Trust, which is affiliated with Main Street USA, requested help in studying Historic Downtown Dandridge. After several public input meetings, the CDC with Volunteers Barbara Pearman from AICP, and Ben Pethel from ASLA proposed a new streetscape plan. The plan will make the city more pedestrian friendly, environmentally conscious, and enhances the existing historic aesthetic while maintaining its authentic character.

PHASE 2 - FUTURE KIOSK WITH PUBLIC RESTROOMS AND ADDITIONAL AMENITIES
