

FIRST CALVARY BAPTIST CHURCH EXPANSION KNOXVILLE, KNOX COUNTY - TN

1st Calvary Baptist Church, located at 1750 Delaware Avenue in Knoxville's Lonsdale Neighborhood, desires to expand their outreach and community service space to better meet the needs of their community.

Additional classrooms, dining area, and a commercial kitchen were identified as crucial to meeting the growing needs of the area. The Community Design Center, with the help of volunteer Dewayne Pendley, architect with Blankenship and Partners, provided a design, cost estimate, and rendering of a proposed educational and community services addition to their existing church building.
