

COMMUNITY INPUT SURVEY

Alcoa Highway Redevelopment - June 12, 2019

The Alcoa Highway Beautification Council is hosting a Community Design Charrette, which will be facilitated by the East Tennessee Community Design Center, on Friday, July 26, 2019 at the North Campus of Sevier Heights Baptist Church. It is from 1 PM to 5 PM. The goal is to create a vision for the future of the commercial corridor along Alcoa Highway from Maloney Road to Montlake Drive. Seating is limited. If you would like to participate during the charrette, please contact Gene Burr - geneburr@comcast.net.

Following the Design Charrette at 5 PM on July 26, 2019 at the North Campus of Sevier Heights Baptist Church, 2939 Alcoa Hwy, Community Members are invited to listen to a presentation and provide input on the design concepts.

Alcoa Highway Beautification Council and East Tennessee Community Design Center need your feedback to provide input that will be used during the Design Charrette. As a resident of one of the neighborhoods that adjoin Alcoa Highway, your preferences regarding appropriate development and business activity in the revitalized corridor are invited. The goal of the survey is to supply valuable community input to attract potential developers and, through them, the businesses that are needed and desired. Please identify the business activities that you would use or that you feel would add to the vitality of the commercial area.

Please check all the businesses listed below that you recommend:

Grocery Store ___

Drug Store ___

Hotel ___

Restaurant ___

Hardware store ___

Medical office ___

Office, general ___

Veterinary clinic ___

Coffee shop ___

Fitness center ___

Office supply store ___

Gas station ___

Others: _____

Please respond to the Community Input Survey by July 5, 2019.

Results will be compiled and presented at the **Community Design Charette**. Please mail this completed survey to: East TN Community Design Center - ATTN: Leslie Fawaz - 1300 N. Broadway - Knoxville, TN 37917
